STATUS REQUEST

Sir:

On July 7, 2000, a petition for correction of inventorship of the above-identified patent, including supporting documents and the petition fee, were mailed to the USPTO. This submission was received as evidenced by an Office-stamped return receipt post card.

Following a telephone inquire on status of the petition, a photocopy of the entire July 7, 2000 submission (the petition, accompanying documents, Office-stamped post card, and cancelled check) were mailed to the USPTO on March 30, 2004. This submission was again received as evidenced by an Office-stamped return receipt post card. This submission is currently noted in PAIR as "Workflow incoming petition IFW", transaction date 04-02-2004.

I have called numerous times concerning this petition, the most recent of which was on Feb. 15, 2007, during which the person I spoke to said she would pull the file and call me back in a week. I have yet to hear back on my status request.

Please follow-up on this petition, provide status at your earliest convenience, and call if there are any questions.

Respectfully,

Date 3-26-07
